

Birthday celebrations and baking at Lukestone Care Home

We enjoyed celebrating Josh's birthday last week, with decorations and a delicious iced cake here at Lukestone Care Home. Everyone wished him a very happy day and we enjoyed displaying a photo of him in his younger days, looking as dapper as ever!

Our ladies and gents also came together to make and decorate some **gingerbread biscuits**, in celebration of the festive season.

We made star, Christmas stocking and snowmen shapes and added some jolly decorations on top. *Delicious!*
