

Birthday celebrations for Betty at Lukestone Care Home

On Monday 28 November here at Lukestone Care Home, we celebrated Betty's 96th birthday.

She enjoyed an outing in the **morning with her family** to celebrate and later in the evening our staff gathered to wish her a very happy birthday.

Our **Assistant Chef Bhim made a delicious celebration cake** for her, which she asked to share with all our residents at supper time.

Betty received **flowers** and a **birthday card** from her relatives which made her reminisce; as she held the flowers in her arms, she became emotional, thanking us for delivering them to her and giving us a heartwarming smile for a birthday picture.

Many happy returns Betty!

Betty had a lovely day!
