

Bollywood theme day at Lukestone Care Home

This month we held a Bollywood theme day here at Lukestone Care Home.

Our staff dressed up in some **wonderful saris** and some danced to entertain our residents, which was great fun! We decorated our lounge for the occasion and our **Home** was full of amazing colour and energy during the day.

We shared some **Indian style curries** and other traditional foods and it was lovely to taste such delicious dishes which really brought the day to life.

Residents and staff alike thoroughly enjoyed the event.
