

## Breast Cancer Awareness at Lukestone Care Home

To raise awareness of Breast Cancer at Lukestone Care Home, we hosted a fun morning on Friday 20 October with our ladies, gents and relatives, plus a surprise visit from relatives of a previous Lukestone resident who is very much missed.

We turned Lukestone pink with an amazing **pink ballon arch**, **heart table cloths** and some delicious **pink iced cakes** and **cupcakes**.

Lots of sweet treats were eaten, coffee sipped and games played, and we had plenty of dancing too!

*It was good to bring loved ones together to have some fun while remembering such an important cause.*
