

Celebrating Chefs at Lukestone Care Home

We celebrated International Chefs Day on Friday 20 October at Lukestone Care Home by presenting our Chefs Bhim and Eli with certificates and a box of chocolates each to show our appreciation of their great cooking.

Our residents particularly enjoy their ham, egg and chips, beef casserole and dumplings, and soups. Plus all the puddings! Cake and custard, apple crumble, Eton mess and, of course, all the amazing birthday cakes and cupcakes.

Thank you both for everything you do – we love your food!
