

## **Celebrating India at Lukestone Care Home**

**Here at Lukestone Care Home we enjoy celebrating all different cultures, and last week we hosted an Indian Day.**

In the morning, our residents participated in **gentle exercises** to soothing Indian music.

For lunch, our Catering Team served **authentic Indian curry** which our residents found very tasty and spicy.

In the afternoon, one of our lovely Senior Healthcare Assistants put on an amazing **Indian dance show** for everyone to watch, which we all thoroughly enjoyed.

Our ladies and gents then relaxed and watched a lively Indian **Bollywood film**; everyone clapped and cheered along to the dancing and music.

*We wonder what culture we will celebrate next...*
