

Celebrating Mothers Day at Lukestone Care Home

On Sunday 19 March, we celebrated Mother's Day at Lukestone Care Home with a morning Namaste session with our ladies, and an afternoon tea with cupcakes.

Gillian was very pleased with the **hand care** she received from Mihaela, our Activities Team Lead, as she could relax and enjoy the **soothing treatment**; she said she had a lovely time and expressed her gratitude at the end of the session. Similarly, other ladies also received a **Namaste experience throughout our Home**.

Later, we had an **afternoon ladies tea time** in our dining room, beautifully set up by Mihaela and Linda with the help of our Kitchen staff. As Marlene saw the **cupcakes**, she excitedly took a seat. When tea was served she commented that it was lovely and could not get enough of it! Meanwhile, Ann enjoyed her cupcakes with a lovely hot cup of coffee.

What a wonderful Mother's Day celebration!
