

Christmas festivities arrive at Lukestone Care Home

On Wednesday 25 November our Santa's Grotto was filmed here at Lukestone Care Home for part of a special Nellsar Christmas film.

Our lovely residents Alan, Edith and Violet were surprised by **Santa Claus' visit**, and loved receiving their special gifts.

We have been singing **Christmas carols**, pulling **Christmas crackers** and tasting delicious **Christmas food**.

It was so much fun enjoying all the festivities and our ladies and gents loved it!
