

Christmas wreath making at Lukestone Care Home

Our residents here at Lukestone Care Home had a lot of fun throughout last week, with festive activities and our annual Christmas party.

We enjoyed making **Christmas wreaths** together and our residents formed a jury for judging the **Christmas Jumper Competition!**

We also held a **pamper day** to help everyone get ready for the Christmas Party; our ladies enjoyed a visit to the Hairdresser and having their nails painted.

We finished the week with a surprise visit from Santa; much to our residents' delight he arrived with many presents!
