

Coronation celebrations with Tickled Pink at Lukestone Care Home

A fun day was had by our Lukestone Care Home staff, residents and relatives celebrating the king's coronation.

The moving ceremony was watched on the television with morning tea served in style with our lovely tea set and themed cupcakes.

The afternoon show from **Tickled Pink** had everyone joining in with the songs, clapping and getting up for a dance.

We rounded off the day with **delicious savoury snacks** prepared by our fantastic Kitchen Team.

What a memorable day!
