

## Dignity Action Day at Lukestone Care Home

**To celebrate Dignity Action Day at Lukestone Care Home on Friday 1 February, our residents and Recreation & Well-Being Team made a stunning wall display made up of butterflies, flowers and hands.**

The display is an extension of the '*Dignity Tree*' theme and incorporates us 'setting butterflies free', to go to the flowers and be nurtured - as this is a reflection of what we do for our residents. It's such a beautiful feature of our corridor and a wonderful talking point

We also held a Namaste session at our **Home**, so it was a very relaxing and reflective day.
