

Festive outing to Dobbies Garden Centre at Lukestone Care Home

Last week we enjoyed taking a group of our residents from Lukestone Care Home to Dobbies Garden Centre in Gillingham.

During our trip we were delighted by the sparkling and colourful Christmas decorations, which were fantastic to see! We stopped for lunch during the visit to make the most of the festive atmosphere.

We also had an outing to *Capstone Park* in Chatham, where we had a lovely walk around the beautiful lake, taking in the gorgeous autumn colours and feeding the ducks, geese and swans.
