

## Fundraising head shave at Lukestone Care Home

### Linda braves the shave for a good cause

Saturday 13 August marked our annual Summer Fete here at Lukestone Care Home and we incorporated a very special fundraising event to raise money for an Interactive Dementia Table for our residents.

This amazing interactive table will help elevate our residents' **mental and physical engagement**, while enhancing their **sense of well-being** and facilitating digital **inclusion for all**.

As part of the fundraising, Linda from the Activities Team kindly offered to shave her head to raise an even bigger sum for the **Dementia Table**.

*Please contact Wiki or Linda at the Home to donate*
