Happy birthday to Brian at Lukestone Care Home

On Thursday 28 July our lovely resident Brian turned 87 years young at Lukestone Care Home!

> *We celebrated Brian's special day with good wishes from all our staff and our Assistant Chef Bhim made him a **delicious birthday cake**. This beautifully decorated treat was placed on the Activities trolley and taken to his room where we entered singing 'Happy birthday' – he was so surprised!*

He teared up when he read the top of the cake – '*Happy birthday Brian. We love you*'. Then he gave us big welcoming hugs.

We cut the cake together and he said he would like to share it with all our other residents.

Many happy returns Brian!
