

## Harvey Harris brings the tunes to Lukestone Care Home

**Last week we enjoyed a visit from Harvey Harris at Lukestone Care Home, who came in for some sing-along fun.**

It was such a great afternoon, as Harvey got all our residents **dancing** around the lounge with this music, and some even had a go **singing on the microphones!** *We have some real talent at Lukestone!*

We're all looking forward to more singers coming into our **Home**.
