

## Jubilee party time at Lukestone Care Home

### Tea party

To celebrate the Queen's Platinum Jubilee here at Lukestone Care Home, we held a special tea party fit for a Queen!

Our residents had an amazing time with their families in our garden and in the lounge we were treated to the brilliant **singer Rick Stills** performing some 50s and 60s tunes, with lots of our residents up **dancing with staff and family**.

We held a **raffle** at the end with lots of amazing hampers and drinks to be won. One of our ladies' husbands Jim won two prizes and gifted his hamper to another family – *what a gentleman!*

**Special thanks to our Head Chef Mandy and our amazing Kitchen Team** who worked tirelessly all week to serve up the most amazing **homemade pastries and cakes**.

### Party time

On Saturday 4 June we were due to hold our Jubilee BBQ. Unfortunately, the weather wasn't on our side but this didn't dampen our spirits – we held an **party indoors** instead and had a fabulous time!

Talented **vocalist Lauren** came in and sang some wartime classics, with Ann and Ellen up having a boogie with our staff.

We finished the afternoon with another **raffle**, a game of **bingo** and some games of 'Pin the jewel on the crown'.

*What a wonderful Jubilee – thank you to everyone who made our celebrations so special.*

Our delicious Jubilee tea party spread
