

## Lukestone Care Home celebrates Head Chef Mandy on International Chefs Day

We belatedly celebrated International Chefs Day to honour our dearest Head Chef Mandy in our main lounge on Wednesday 30 November here at Lukestone Care Home.

Our Home Manager Milana presented Mandy with a **beautiful flower bouquet** and a **customised cutting board**, while everyone cheered her on. Some of our residents stood up and came to congratulate her, clapping with us. *Mandy was brought to tears with this gesture!*

We **appreciate everything that she does** and especially how she always **prioritises our residents** above all in every decision and action she takes. Undoubtedly, she has made a **huge impact** on everyone in the **Lukestone family**.

Celebrating Mandy's hard work
