

Lukestone Care Home go cake crazy for Macmillan Cancer Support

"Lukestone Care Home raised £200"

Macmillan Cancer Support would have been proud to see the Lukestone Care Home "World's Biggest Coffee Morning" effort last week on Friday 28 September.

Staff, residents and visiting family enjoyed a cups of tea and coffee with a cake (*or two!*) to help raise money for the charity – a whopping **£200** in fact!

Thank you very much to everybody who came along on the day for a cuppa and a cake, and helped raise these valuable funds. ***See you at the next one!***
