

## **Lukestone Care Home is filled with flowers on Mothers Day**

**On Sunday 14 March our residents celebrated Mother's Day at Lukestone Care Home.**

Loved ones spoiled all the mums at **Lukestone** with a beautiful array of **flowers** and **gifts** and our ladies were delighted to open them all.

We gathered together in the lounge to celebrate the special day. A highlight was listening to personalised virtual messages from loved ones, played during a special Mother's Day concert performed by **The Bel Canto Sopranos**, which was such a treat.

Our ladies loved singing along and enjoyed a tea party with a piece of specially made **Mother's Day cake**.

Everyone had a wonderful day!

Our ladies loved all their cards and gifts
