

Lukestone Care Home residents enjoy a festive trip to Polhill Garden Centre

This week we had a super trip out with a group of our residents to Polhill Garden Centre in Sevenoaks.

Winner of multiple awards, Polhill offers a wonderful day out to visitors - a great place to meet up and enjoy a fantastic shopping village and selection of restaurants.

We all thoroughly enjoyed taking time to admire all the impressive Christmas displays, trees and decorations on offer (so many Santas!) and stopped off for coffees and hot chocolates in the cafe.

It was a really festive outing, made special with a delicious Christmas lunch in the restaurant together, complete with Christmas hats and crackers! *We love that festive feeling!*
