Lukestone Care Home residents enjoy a Halloween tea party

We all had fun on Saturday 31 October, when we hosted a Halloween party here at Lukestone Care Home, with Halloween music, decorations and fancy dress themed hats and accessories.

Our residents enjoyed a wonderful **afternoon tea**, with some **spookily spectacular cakes and cupcakes** made by our Head Chef – we had a **ghost** cake, a **pumpkin** cake and even a **Frankenstein's monster** cake!

We also played Halloween picture Bingo which was great fun!

Spooky afternoon tea!
