

Lukestone Care Home residents enjoy a singalong with musical instruments

On Friday 9 June, we had a fun musical activity with our residents here at Lukestone Care Home.

Linda and Wiktoria from our Activities Team put on some classic pop songs in our main lounge and passed around tambourines, tiny drums and maracas to all of our residents.

We had a special guest in our **Home**, our beloved former team lead Eva, who got our residents up and dancing. Betty was clapping and cheering as more people got up on the dance floor, making the atmosphere even livelier.

Good times!
