

Lukestone Care Home residents enjoy an Easter party in the sun

On Good Friday we hosted a fantastic Easter party here at Lukestone Care Home and our residents came out into the garden to enjoy the sunshine.

We served refreshments and lunch outside and spent a few hours in the warm weather reminiscing about Easter and enjoying Easter chocolate bunnies!

Our Recreation and Well-Being Team made sure everyone was comfortable and happy and all our Care Staff joined in too, to make sure our ladies and gents had a relaxing and fun time together.
