

Lukestone Care Home residents enjoy Easter crafts

On Tuesday we enjoyed preparing for Easter by doing some seasonal arts and crafts with our Lukestone Care Home residents.

We had fun making **baskets** featuring different animals with green shredded tissue paper as grass. We also made **bunny bookmarks** for the readers amongst our ladies and gents.

Everybody really enjoyed this activity as they could get their **creative** juices flowing with a choice of materials and ideas.

We're definitely in the Easter spirit now!
