

Lukestone Care Home residents share choir performance

We had fun last Wednesday 24 May when our residents sang a wonderful choir performance in the afternoon, led by Linda, one of our Activity Champions here at Lukestone Care Home.

Brian was gesturing as our main conductor as everyone joined in and followed along.

Betty and Gillian were **singing passionately** while watching the lyrics displayed on the television screen in our main lounge.

It was lovely to hear so many cheery voices – *well done everyone!*
