

Lukestone Care Home residents take a trip to Grange Moor Hotel

There's nothing better than a change of scenery, and last week two of our residents from Lukestone Care Home visited local Grange Moor Hotel to enjoy afternoon tea and cake.

Grange Moor Hotel is set in a quiet location near Maidstone town centre and features some beautiful landscaped gardens. The perfect place for afternoon tea!

Our residents loved their drinks and indulgent chocolate cake, which were very welcome after they'd had a refreshing walk around a local park.
