

Lukestone Care Home residents visit Polhill Garden Centre for lunch

On Thursday 4th April, our residents from Lukestone Care Home took a trip out to Polhill Garden Centre to have a look around the plants and gifts on offer - including an impressive mother and baby elephant sculpture which caught our eye.

We all enjoyed a good lunch at the Polhill restaurant, where jacket potatoes were a particular favourite!

A super outing was had by everyone and we look forward to returning soon.
