

## **Lukestone Care Home trip to Folkestone**

**Residents from Lukestone Care Home enjoyed an outing to Folkestone on Wednesday 22 August.**

The group loved their leisurely walk along the sea front, looking at the array of boats in the harbour. They took in the fresh air and stopped for a welcome cup of tea.

Afterwards, they tucked into a delicious fish and chip lunch in a local cafe, where they could rest, relax and chat about the day.

Everyone thoroughly enjoyed getting out to the coast, even though it was breezy!
