

## Macmillan Coffee Morning fundraiser at Lukestone Care Home

## Macmillan fundraiser

Here at Lukestone Care Home we had a fabulous time raising money for Macmillan Cancer Research last week.

We had a lovely display of **tempting brownies, cakes and cheesecakes, macaroons** and **even croissants** – there was something for everyone.

Our cakes were homemade by our amazing Chef Mandy and her Kitchen Team and our display and banners were created by our Activities Team. We had a massive banner outside our Home and Linda (from Activities) encouraged people to donate and have a slice of cake or maybe even two!

We even 'dressed to impress' with our **green wigs!**

Huge thanks to everyone who donated on the day to this amazing charity. **Overall we raised a wonderful £150 for this very worthy cause** and everyone loved their cake and tea. *Well done Lukestone!*

### Breast Cancer Awareness

**Ann** is very proud of her painting of a **Breast Cancer pink ribbon** which will be part of a collage we're preparing, ready for our **'Breast Cancer Awareness Day' on Saturday 22nd October.**

*We're looking forward to highlighting this very important health campaign at our Home.*
