

Making decorations and a raffle for staff at Lukestone Care Home

It's been another busy week at Lukestone Care Home.

Our lovely residents have been making **Chinese New Year decorations** for our cruise trip to Hong Kong next week! Lots of lovely colours to brighten up our **Home** for the event, which we are really looking forward to.

Our ladies and gents have also been **writing Valentine's cards** which we'll send out to their loved ones.

There was also a little treat for our staff members too this week! For all their hard work, we organised a special **raffle for our team**, made up of the lovely donations we have received recently. *It really made everyone's day!*

Our staff loved their raffle!
