

## Making party decorations at Lukestone Care Home

### Caribbean Dreams

Residents at Lukestone Care Home in Maidstone are gearing up for an upcoming Caribbean Dream party on 28 March. Some of our ladies and gents have been making decorations for the party, with the help of our Recreation and Well-Being Team.

Using brightly coloured paper, our residents have been cutting out flower and leaf templates to make giant flower decorations.

Why not join Karen and her team on **Thursday 28 March** in the main lounge for festive Caribbean themed food, drinks and music? Feel free to throw on your fancy dress too!
