

## Mike the Magician wows Lukestone Care Home residents

On Wednesday 2 November we welcomed Mike the Magician to Lukestone Care Home, who came along with his magic tricks to amaze our residents.

He brought with him his little helper called **Roger the Rabbit**; our residents took a big liking to Roger and some even had a cuddle with him.

Mike gifted our residents **flowers made out of balloons** and some were lucky enough to receive a **bunny made from balloons**! Mike also did some **coin tricks** which amazed everyone.

*What a fantastic show – we can't wait to welcome Mike and Roger back to Lukestone again soon!*
