

Mothers Day celebrations at Lukestone Care Home

On Sunday 27 March our lovely mothers at Lukestone Care Home enjoyed a morning filled with gifts, flowers and visits from their daughters and sons as we celebrated Mother's Day.

Our ladies were delighted with their **presents** and enjoyed a wonderful **afternoon tea** together.

They especially loved receiving **flowers** and enjoyed putting them into their rooms in vases.

What a beautiful day, celebrating our lovely ladies.

Our ladies loved their flowers and gifts
