

## Pirate Day shenanigans at Lukestone Care Home

**We all celebrated 'International Talk Like a Pirate Day' on Tuesday 19 September here at Lukestone Care Home.**

We had fun dressing up and coming up with jokes about pirates and it was a good opportunity to enjoy some **fancy dress** and each other's company.

In the morning we dressed up and in the afternoon our residents enjoyed engaging with our Recreation and Well-Being Coordinators Mihaela and Niamh, with **drawing and colouring pirates** on the menu!

We loved looking at all the drawings, with lots of smiles and laughter all around.

*What a fantastic day of pirate fun!*
