

## Queens birthday afternoon tea party at Lukestone Care Home

**Our residents and staff at Lukestone Care Home came together to celebrate the Queen's 94th birthday with a special afternoon tea.**

*Each of our ladies and gents received an invitation for the event;*

*"You are invited for an afternoon 'High Tea' to celebrate the Queen's birthday. The party will take place on Monday 8th June at 2:00pm in the garden of Lukestone Nursing Home. Come and share some special moments with friends over a cup of tea and cakes. We look forward to seeing you there. The Recreation Team."*

We had great fun **decorating** our tables outdoors with table cloths, pretty serviettes, flags and china tea services, and Union Jack bunting filled our garden.

We served a selection of **sandwiches, delicious cupcakes** and a rather impressive St George's cross **cake**.

Singer **Jasmine Kittermaster** came to entertain us all with her '*Dreamboats and Petticoats*' early rock 'n roll tribute show, which went down well with everyone.

It was such a lovely occasion and everyone thoroughly enjoyed the atmosphere as we celebrated our **Queen** on her special day.
