

## Residents and staff enjoy sports day fun at Lukestone Care Home

**What better way to enjoy our garden than a Sports Day here at Lukestone Care Home!**

To join in with the '*Nation's Biggest Sports Day*' event being championed by Team GB, we held a wonderful afternoon of sport at our **Home** last week.

Everyone had a lovely time, with staff and residents joining in the activities, which included:

- A specialist chair race
- Egg and spoon
- Tennis
- Pin the tail on the Donkey
- Hula hoop

Everyone was a winner, as we had plenty of winning medals to award! We enjoyed handing out **medals** and **prizes** to all our ladies and gents.

*Well done everyone on such a super afternoon of activity!*
