

## Seated games and preparing for Spain at Lukestone Care Home

**Our residents at Lukestone Care Home have been busy preparing decorations for our next virtual Cruise stop – sunny Spain!**

They enjoyed cutting out and painting **Spanish flags** in preparation for our arrival.

In the meantime, we have also kept active with a range of **movement activities**.

We've enjoyed playing a **parachute colour matching game** and **reminiscing with our 'Toss and Talk Ball'**, with a lot of chatting and laughing.

*Great fun and a super way to socialise and keep fit in one go!*

Fun with our Toss and Talk Ball
