

Themed bingo at Lukestone Care Home

On Wednesday 24 May we played 'Under the sea bingo' with our residents at Lukestone Care Home, using sea creature cards and tick sheets, rather than the usual bingo balls and numbers.

Linda from our Activities Team hosted the proceedings and it was one of the most competitive and intense games we've had in some time! Brian and Betty were especially eager to hear her calling the next flash cards each time.

Although Brian came close, in the end **Betty was finally crowned our bingo champion**. She was so delighted to receive her trophy and smiled brightly to show her gratitude to everyone cheering her on. *Well done Betty!*
