

## Tickled Pink perform ABBA show at Lukestone Care Home

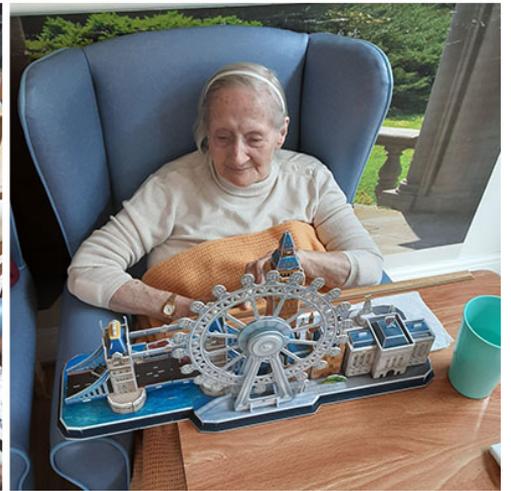

**Our residents at Lukestone Care Home enjoyed a fantastic music show at the end of last month.**

**Tickled Pink Productions** visited us and presented a wonderful performance of our favourite **ABBA songs**; their singer even wore an authentic ABBA style outfit. We all enjoyed it so much and it was a day full of fun!

We also hosted a '*Ladies Club*' where our ladies really enjoyed looking and **trying on all different sorts of jewellery**, which prompted a lot of conversation as they looked through the jewellery boxes.

As our last cruise destination to England is approaching, we have enjoyed **building models** of the most famous buildings and places in London – our little London scene is wonderful!

Jewellery fun and model building
